

CLEAN ENERGY FINANCE CORPORATION — REWIRING THE NATION FUND

**1362. Hon Dr STEVE THOMAS to the parliamentary secretary representing the Minister for Energy:**

I refer to the signed letter of intent between the state of Western Australia and the federal government to access \$3 billion under the Rewiring the Nation program. As at 7 November 2023, I ask the following.

- (1) How much of the \$3 billion allocated to WA under this program has actually been received?
- (2) What portion of the moneys received are loans and what portion is equity investment?
- (3) What Western Australian transmission upgrades and new builds have been recipients of the funding received from the Clean Energy Finance Corporation?

**Hon JACKIE JARVIS replied:**

I thank the member for some notice of the question. On behalf of the parliamentary secretary representing the Minister for Energy, I provide the following response provided by the Minister for Energy.

- (1) No money has been allocated.
- (2) Not applicable.
- (3) Not applicable.
