

BANKSIA HILL DETENTION CENTRE — OPERATING PHILOSOPHY AND SERVICE MODEL REPORT

1421. Hon Dr Brad Pettitt to the minister representing the Minister for Corrective Services:

I refer to *Banksia Hill's operating philosophy and service model* prepared by Nous Group for the Department of Justice, and I ask:

- (a) Will this document be published online and made publicly available;
- (b) If no to (a), why not; and
- (c) If yes to (a), when will it be available?

Hon Stephen Dawson replied:

- (a)–(c) The document is an internal Department of Justice document that would be inappropriate to make publicly available. There is no intention to publish this document online.
