

GRAYLANDS HOSPITAL — BUSINESS CASE

4731. Mr S.K. L'Estrange to the Deputy Premier; Minister for Health; Mental Health:

I refer to the Budget Estimates Hearings on 23 May 2018 during which the Minister stated that the draft business case for the decommissioning of the Graylands hospital was in its final stage of development and I ask:

- (a) Can the Minister provide an update on the status of the business case; and
- (b) Will the Minister table the business case?

**Mr R.H. Cook replied:**

- (a) An overarching concept business case has been developed, led by the Mental Health Commission in consultation with the Department of Health and North Metropolitan Health Service. This has been submitted as part of the 2019–20 Budget process for the Economic Review Committee's consideration.
- (b) At this time the business case is not able to be released. I will consider making it available following release of the 2019–20 State Budget.
