

**HEALTH — FEDERAL GOVERNMENT'S PERFORMANCE**

*Notice of Motion*

**Mr S.K. L'Estrange** gave notice that at the next sitting of the house he would move —

That this house —

- (1) Congratulates the federal Liberal–National government for —
  - (a) increasing general practitioner bulk-billing rates from 82 per cent under Labor to 86 per cent;
  - (b) ending Labor's Medicare freeze;
  - (c) increasing spending on health under a new five-year public hospital agreement with the states and territories delivering \$31 billion more funding for hospitals; and
  - (d) adding more than 2 000 medicine listings worth over \$10.6 billion to the Pharmaceutical Benefits Scheme.
- (2) Condemns the McGowan government for undermining these improvements by cutting \$200 million from the Western Australia health budget.
