I refer the minister to question without notice 1405 asked on Thursday, 9 November 2023.

- (1) When will construction of the Marlamanu on-country diversionary facility become operational?
- (2) What is the anticipated cost of the facility?

**Hon KYLE MCGINN replied:**

I thank the member for some notice of the question. The following answer has been provided to me by the Minister for Regional Development and is accurate as of Wednesday, 13 March.

- (1) Construction is anticipated to commence in April 2024, with an estimated total build period of six months from commencement.
- (2) The current budget allocation is based on total capital expenditure of \$8.1 million on the facility. The infrastructure budget is being confirmed by a quantity surveyor report prior to infrastructure cost finalisation.
