

ONE MILE JETTY — CARNARVON

1224. Hon STEVE MARTIN to the Leader of the House representing the Minister assisting the Minister for Transport:

I refer to the refurbishment of the historic Carnarvon One Mile jetty, which is listed on the state Register of Heritage Places.

- (1) Approximately how much high-grade jarrah timber is needed for this work to be completed?
- (2) How many tenders have been received for this project so far?
- (3) What will the department do if it cannot source those materials within Western Australia?

Hon SUE ELLERY replied:

We are just checking. What we might do, if we find the answer, is provide it at the end of question time.
