

FREMANTLE POLICE STATION — FTE POSITIONS

6069. Hon Sue Ellery to the Attorney General representing the Minister for Police

In relation to Fremantle Police Station, I ask —

- (a) how many Full Time Equivalent (FTE) positions were allocated as of 30 June 2010; and
- (b) how many FTE positions were filled as of 30 June 2010?

Hon MICHAEL MISCHIN replied:

The Western Australia Police advise due to operational sensitivities, specific information relating to staffing levels of individual police stations is not released. Resources are principally allocated at a District level and District Superintendents deploy these resources within their District to provide the best possible policing service to meet operational requirements and the varying needs of the community.

- (a) At 30 June 2010 the approved police officer strength for South Metropolitan District was 279.5
- (b) At 30 June 2010 the actual police officer strength for South Metropolitan District was 278.
