

TRAINING AND WORKFORCE DEVELOPMENT —  
GOVERNMENT WORKER ACCOMMODATION — KIMBERLEY

1760. Hon Neil Thomson to the minister representing the Minister for Housing:

I follow up my previous question from 15 June 2022 relating to the availability of government worker accommodation in the Kimberley for North Regional TAFE, and I ask, what has been the cost of private rental subsidies for eligible public servants for the following financial years:

- (a) 2021–2022;
- (b) 2022–2023; and
- (c) 2023–2024 (to date)?

**Hon Jackie Jarvis replied:**

- (a)–(c) The Department of Communities allocates properties to client agencies so that they may then lease to their staff. These properties are then managed by the individual client agency.

The Department of Training and Workforce Development is responsible for the rent setting policies of its tenants. This question should be directed to the Minister for Training.
