

TRANSPORT — CYCLING FUNDING

1594. Hon Dr Brad Pettitt to the minister representing the Minister for Transport:

In each year since 2013, what has the Department of Transport, including Main Roads WA spent on:

- (a) cycling infrastructure; and
- (b) initiatives to change and improve behavior towards cycling?

**Hon Stephen Dawson replied:**

Our WA Labor Government is spending a record amount on cycling infrastructure right across Western Australia – significantly expanding the State’s cycling network.

For each financial year between 2013–14 and 2022–23:

- (a) \$17,109,076; \$12,914,346; \$19,796,920; \$35,494,034; \$24,161,773; \$56,405,363; \$32,911,517; \$38,393,883; \$57,316,604; approx. \$60,590,094.
- (b) \$723,948; \$1,381,151; \$1,097,873; \$932,230; \$277,658; \$1,078,321; \$710,951; \$1,641,367; \$1,177,507; \$614,667.
