

MARKET-LED PROPOSALS

1528. Hon Dr STEVE THOMAS to the minister representing the Treasurer:

I refer to the market-led proposals initiated by the private sector for the calendar year 2022 and the calendar year 2023 to date, and I ask the following for each of those years.

- (1) How many market-led proposals were received by the government from private sector proponents?
- (2) How many MLPs progressed to public disclosure at the end of the stage 2 and stage 3 processes?
- (3) How many of the MLPs were officially released by the government for industry and the private sector to respond to?
- (4) What financial return has each MLP delivered to the state, and how is that financial return determined or calculated?

Hon STEPHEN DAWSON replied:

I thank the Leader of the Opposition for some notice of the question. This answer is provided on behalf of the Treasurer.

- (1)–(4) Details about current and completed market-led proposals are published on the WA government website. I table a copy of the “Current and completed proposals” webpage, as of 29 November 2023.
