

COMMUNITY HOUSING

1081. Hon SOPHIA MOERMOND to the minister representing the Minister for Housing:

I refer to the call for submissions for registered community housing providers to bolster the supply and diversity of social housing across Western Australia.

- (1) With the government investing \$2.6 billion into social housing, how much of that is available for the submissions?
- (2) Are these submissions to be a part of the 4 000 social dwellings already promised and budgeted for?

Hon JACKIE JARVIS replied:

I thank the honourable member for some notice of the question. The following response has been provided by the Minister for Housing.

- (1)–(2) The Cook Labor government’s call for submissions process for registered community housing organisations is part of a number of reforms being undertaken to strengthen the community housing sector and accelerate the delivery of social housing throughout Western Australia. Submissions are considered on a case-by-case basis.
