

RENEWABLE ENERGY BUYBACK SCHEME

1750. Hon Dr Steve Thomas to the parliamentary secretary to the Minister for Energy:

I refer to my question without notice 464 on 11 August 2023 regarding the Renewable Energy Buyback Scheme, and I ask, for each of the financial years 2021–22 and 2022–23:

- (a) how many residential rooftop solar systems have been installed in Western Australia; and
- (b) what is the total amount of energy purchased through the scheme?

Hon Darren West replied:

(a)–(b) The information requested is provided in the tables below on a basis consistent with the information provided in response to Question Without Notice 464.

Period	Number of residential rooftop solar installations
2021–22	30,727
2022–23	26,961

Period	Amount of energy purchased through buyback schemes (GWh)
2021–22	1,411.5
2022–23	1,656.6
