**1125. Hon Dr STEVE THOMAS to the Leader of the House representing the Minister assisting the Minister for Transport:**

I refer to my question without notice 706 of 21 June 2023—corrected on 8 August—on the acquisition process to obtain a C-class licence in Western Australia. What percentage of applicants for a C-class licence were successful in obtaining their licence on their first attempt in 2022 in —

- (b) the Shire of Harvey;
- (c) the Shire of Dardanup;
- (d) the Shire of Collie;
- (e) the Shire of Donnybrook–Balingup; and
- (f) the City of Busselton?

**Hon SUE ELLERY replied:**

The Department of Transport provides the following information by Department of Transport or agent sites in relation to the shires as follows —

- (a) 65 per cent;
- (b) 71 per cent;
- (c) these figures are included in the Bunbury data;
- (d) 49 per cent;
- (e) 72 per cent; and
