

BURRUP AND MAITLAND INDUSTRIAL ESTATES AGREEMENT IMPLEMENTATION DEED

4370. Hon Robin Chapple to the Parliamentary Secretary representing the Attorney General

I refer to question on notice No. 3845 to the Attorney General answered on 29 Jun 2011, and the expenditure incurred by the Office of Native Title and the Department of Environment and Conservation for the Management Plan, and ask —

- (1) Can the Minister identify why the plan was prepared twice?
- (2) Will the Minister table an itemised list of expenditure of funds for the following —
 - (a) plan preparation (consultant) \$194 000;
 - (b) consultant fees — obtaining cultural information for the draft management plan \$24 000;
 - (c) grant funding for Aboriginal Contracting Parties \$71 000;
 - (d) operational costs \$83 000; and
 - (e) plan preparation \$240 150?
- (3) If no to (1) and/or (2), why not?

Hon MICHAEL MISCHIN replied:

- (1) There is only one plan. In accordance with the Conservation and Land Management Act 1984, a management plan must first be released as a draft for public comment for a minimum of two months. The plan is then reviewed in light of submissions received before a final management plan is approved.
- (2)
