

GLEN IRIS GOLF COURSE

564. Hon BEN DAWKINS to the Leader of the House representing the Minister for Planning:

I refer to the Premier's 2017 commitment to gold-standard transparency and the minister's answer to my question without notice on 11 May 2023 relating to a political donation from Eastcourt, the developer of the Glen Iris golf course in Jandakot, which stands to make millions from the granting of the minister's recent approval. In order to ensure that the granting of all future government conditions and development approvals on the development is conducted in an open and transparent manner, will the minister ask the Labor Party to repay the \$27 500 political donation received from Eastcourt?

Hon SUE ELLERY replied:

Questions relating to donations to political parties are a matter for political parties.
