

TREASURY AND FINANCE — CLAIM FOR PAYMENT

1779. Hon Nick Goiran to the minister representing the Treasurer:

I refer to the claim for payment of unclaimed monies to the estate of Beris Doreen Sleigh, and I ask, can you confirm if and when the estate will receive the funds?

Hon Stephen Dawson replied:

I have been advised of the following:

The Department of Treasury cannot approve this claim and release the funds until a certified copy of the supporting documentation is received from the claimant.

To help protect against fraud, claimants are required to provide certified copies of documents.

The claimant provided a document to support the claim but it was not a certified copy. To assist, Treasury responded to the claimant on 26 May 2023, with information and guidance on how to obtain a certified copy. Treasury has yet to receive a certified copy of the document.
