

LINEAR ACCELERATORS

5. Hon DONNA FARAGHER to the parliamentary secretary representing the Minister for Health:

I refer to patient access to linear accelerators.

- (1) How many linear accelerators can be accessed by public patients in Western Australia?
- (2) For each accelerator referred to, can the minister advise where they are located?

Hon PIERRE YANG replied:

To allow for a fulsome and accurate response, I request that the member places the question on notice.
