Answer

1. In line with the Health Service Agreement between South Metropolitan Health Service and Ramsay Health Care, the transition of the Peel Health Campus to public hands will be at 12:00:01 Tuesday 13 August 2024.
 2. The full project budget across four financial years (2021/22 – 2024/25) is \$45 million. This is inclusive of staffing, medical equipment, end user computing devices and application licenses, network infrastructure, insourcing of pharmacy from a private provider, legal and consultancy costs, uniforms, and signage.
 3. The Government has made the commitment that Ramsay Health Care staff transitioning to South Metropolitan Health Service will be able to have their length of service recognised for the purposes of calculating their entitlements to long service leave and both paid and unpaid parental leave. Accrued and untaken personal leave and professional development leave will also be recognised and honoured.
