

**HERDSMAN LAKE REGIONAL PARK**

*Petition*

**MS C.M. TONKIN (Churchlands)** [12.02 pm]: I have a petition that has been certified as conforming with the standing orders of the Legislative Assembly, has 289 signatures and reads —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say that **Herdsman Lake Regional Park requires public toilets**.

- It is a 300 hectare urban reserve with 8 kilometres of walking trails and there are no public toilets.
- It is an environmental risk to the visitors of the lake and the wildlife.
- It should be an accessible facility for all visitors to the reserve.
- With high visitor numbers to the reserve, lack of public toilet facilities is a serious concern.

Now we ask the Legislative Assembly to;

- **Set up appropriate 24 hour public toilet facilities** in strategic locations around the reserve.
- Maintain these facilities to a presentable standard.
