

BROOME REGIONAL PRISON — CRITICAL INCIDENT

33. Mr S.K. L'ESTRANGE to the Minister for Corrective Services:

I have a supplementary question.

That is remarkable, Mr Speaker! I want to clarify something. The minister said that there was no breakdown in security, so does this mean that escapees are not evidence of a breach in security?

Mr F.M. LOGAN replied:

As I just said to the member, I am not going to go into the security systems of Broome Regional Prison or any other prison, and for good reason. I just put to the member, because I cannot go into it in detail, that the escape was remarkable and no-one in this chamber could do that. That is it.

The SPEAKER: That is the end of question time.
