

BANKSIA ROAD, DARDANUP — WASTE PRECINCT

Petition

HON COLIN HOLT (South West) [2.16 pm]: I present a petition containing 548 signatures couched in the following terms —

To the Honourable the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned are opposed to

1. Any continuation of landfill of any description, including storage of Refinery waste, at the Banksia Road Dardanup Waste Precinct on the basis that the site is environmentally, socially, and economically unsuitable.
2. Any expansion to operating hours, waste classification, height, footprint and capacity.

We therefore ask the Legislative Council to investigate and develop legislation and planning guidelines for the location, design and management of solid waste disposal sites. We also ask the Legislative Council to recommend to the government to develop a 3 year exit plan for the Banksia Rd, Dardanup waste disposal site.

Your petitioners as in duty bound, will ever pray.
