

HEALTH — LINEAR ACCELERATORS — PATIENT ACCESS

1923. Hon Donna Faragher to the parliamentary secretary to the Minister for Health:

I refer to patient access to linear accelerators, and I ask:

- (a) how many linear accelerators can be accessed by public patients in Western Australia; and
- (b) for each accelerator referred to in (1), can the Minister advise where they are located?

**Hon Pierre Yang replied:**

- (a) A total of 27 Linear accelerators can be accessed by public patients in Western Australia.
- (b) These are located:
