

SOCIAL HOUSING — INVESTMENT

360. Hon STEVE MARTIN to the minister representing the Minister for Housing:

I refer to the \$750 million social housing investment fund.

- (1) How much of the \$373 million committed to specific social housing projects in the 2022–23 budget midyear review has been spent?
- (2) Of the money that has been spent, will the government please provide a breakdown of costs by project?

Hon JACKIE JARVIS replied:

I thank the member for some notice of the question. The following response has been provided by the Minister for Housing.

- (1)–(2) As outlined in the midyear review, the funding referred to has been allocated for delivery over the forward estimates period. A further update on the fund will be provided in the budget papers in May.
