

MAIN ROADS — DATA COLLECTION

1439. Hon NICK GOIRAN to the minister representing the Minister for Transport:

I refer to the revelation in the hearing before the Standing Committee on Estimates and Financial Operations on 8 November 2023 that the managing director of Main Roads decided on 4 August 2023 to disable the devices that had been collecting data from road users in breach of the Surveillance Devices Regulations 1999.

- (1) On what date was the minister verbally briefed by the managing director about this decision?
- (2) Did the minister or any other person keep notes during the briefing?
- (3) If yes to (2), will the minister table those notes?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. I provide the following answer on behalf of the Minister for Transport.

- (1)–(3) The minister was briefed on 21 August 2023.
