

**STATE FORESTS NOS 22, 29, 49, 36 AND 56 - PARTIAL REVOCATION**

*Committee*

The Deputy Chairman of Committees (Hon W.N. Stretch) in the Chair.

Message from the Assembly requesting concurrence in the following resolution now considered -

That the proposal for the partial revocation of State Forest Nos 22, 29, 49, 36, and 56 laid on the Table of the Assembly on the twenty-first day of November 2000 by command of His Excellency the Governor be carried out.

Hon PETER FOSS: I move -

That the Council concurs with the resolution passed by the Assembly as contained in Message No 50 from the Assembly.

Hon J.A. COWDELL: The Labor Party supports these proposals for revocations, land swaps and purchases on the basis that is outlined in the papers that were presented to members.

Hon CHRISTINE SHARP: I have again received a briefing on these proposed revocations. I did have a concern about the revocation at Kirup. However, this afternoon the officer of the department obtained further information for me about that proposal, for which I thank him, and I am now satisfied that all of these revocations are appropriate.

Question put and passed.
