

FREMANTLE CAT BUS SERVICE

783. Hon Dr BRAD PETTITT to the minister representing the Minister for Transport:

I refer to the decision to increase the frequency of the 532 bus service to replace the Fremantle CAT service.

What will be the annual cost to the state government to fund the increased frequency of the 532 bus?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. I represent the Minister for Transport, so I provide the answer.

The frequency of the 532 bus service is being increased following the City of Fremantle's decision to withdraw its funding contribution to the Fremantle CAT. The state government has redirected its funding contribution to the Fremantle CAT service to the increased frequency of the 532 in the amount of \$540 000 per annum.
