I refer to notice given on 7 December 2021 during the Committee of the Whole House's consideration of the *Criminal Law (Unlawful Consorting and Prohibited Insignia) Bill 2021*, and I ask:

- (a) what is the total number of declared drug traffickers recorded in WA Police's Incident Management System; and
- (b) what is the total number of s.557K(4) Criminal Code warnings issued by WA Police to a child sex offender under the age of 18?

**Hon Stephen Dawson replied:**

Please refer to Legislative Council Question on Notice 457.
