

POLICE — RETURN TO PRISON WARRANTS

674. Hon NICK GOIRAN to the minister representing the Minister for Police:

I refer to the answer provided on 13 June 2023 to my question on notice 1433, in which the house was informed that, as at 26 May 2023, the oldest return to prison warrant had been outstanding for 225 days.

- (1) Has the Western Australia Police Force now finalised the execution of this return to prison warrant by locating and processing the offender?
- (2) If yes to (1), on what date did that arrest take place?
- (3) Further to (2), what is the age of the warrant that is now the oldest that remains outstanding?
- (4) If no to (1), who is the offender and should the community be on the lookout for this fugitive?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. The following answer is provided on behalf of the Minister for Police.

The Western Australia Police Force advises —

- (1) No.
- (2)–(3) Not applicable.
- (4) Warrant number W22074861 was issued by the Department of Justice. For details of the content of this warrant, please refer to DOJ. On receipt of this warrant, the Western Australia Police Force assessed various considerations and did not deem the public release of the information necessary.
