

WARDENS COURT DECISION

**255. Ms M.J. DAVIES to the Minister for Mines and Petroleum:**

I have a supplementary question. Just so I am clear, does the minister have plans in place to amend the Mining Act or to introduce that validating legislation should the Supreme Court ruling result in the invalidation of those applications in granted titles? Is it in the pipeline?

**Mr D.R. MICHAEL replied:**

As I said, that eventuality is something we continue to look at. I, along with the department, continue to get briefed on what options would be available to the state should that occur.
