

WASTEWATER TREATMENT PLANT — ODOUR MANAGEMENT

1774. Hon Ben Dawkins to the parliamentary secretary to the Minister for Water:

I refer to the Greater Bunbury Region Scheme (GBRS) amendment 0020/57, the Dalyellup Greenpatch development in close proximity to the Bunbury/Dalyellup Waste Water Treatment Plant (WWTP), the works approval application (W6637) in January 2022 by Aqwest on behalf of Water Corporation to construct and operate the Water Resource Recovery Scheme (WRRS) within the premises of the Bunbury/Dalyellup WWTP, and Licence Number L5972/1992/14 Amendment on May 2022, and I ask:

- (a) would the Minister please provide a copy of DWER's resolution/s relating to W6637;
- (b) if no to (a), why not;
- (c) were Water Corporation and/or Aqwest aware whether there were any submissions against works approval W6637;
- (d) did Water Corporation/Aqwest apply to construct and operate the WRRS through an amendment to the Licence:
 - (i) If yes to (c), why was the works approval process not followed; and
 - (ii) If no to (c), which avenue/process did Water Corporation/Aqwest follow to obtain approval to construct and operate the WRRS;
- (e) would the Minister please provide a copy of any correspondence between Water Corporation and Aqwest, EPA and/or DWER regarding the application to construct and operate the WRRS; and
- (f) if no to (e), why not?

Hon Matthew Swinbourn replied:

- (a)–(b) See answer to Question on Notice 1777.
- (c) No.
- (d) See answer to Question on Notice 1777.
- (e)–(f) The Member may make a formal request through the *Freedom of Information Act 1992* to access these documents. This is to ensure the right of third parties to be consulted is upheld.
