

TIER 3 RAIL LINES — RECOMMISSIONING

1172. Hon STEVE MARTIN to the minister representing the Minister for Transport:

I refer to the study into recommissioning sections of the tier 3 rail network and the \$72 million allocated under the agricultural supply chain improvement program.

- (1) Has the minister received the completed study?
- (2) Will the minister make public the outcome of the study; and, if not, why not?
- (3) Did the study undertake a cost–benefit analysis of the recommissioning of the rail lines compared with investing the ASCI funds into the road network?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

- (1)–(3) Analysis on the recommissioning of tier 3 lines is ongoing.
