

HOMELESSNESS

809. Hon Dr BRAD PETTITT to the minister representing the Minister for Homelessness:

I refer to *All paths lead to a home: Western Australia's 10-year strategy on homelessness 2020–2030*.

- (1) Is the state government still committed to ending homelessness?
- (2) Is the state government still committed to ending rough sleeping by 2025?
- (3) If yes to (2), is WA on track to achieve this?

Hon JACKIE JARVIS replied:

I thank the honourable member for some notice of the question. The following response has been provided by the Minister for Homelessness.

- (1)–(3) The state government's *All paths lead to a home: Western Australia's 10-year strategy on homelessness 2020–2030* was co-designed with the homelessness sector. The Department of Communities continues to work closely with the sector to deliver the priorities of the strategy.

The member continues to wilfully misrepresent the principles of the strategy which have been adopted to guide the first action plan for 2020–25. The first action plan for 2020–25 is significantly underway and continues to be delivered in partnership with the sector.
