

AUSTRALIAN HEALTH PRACTITIONER REGULATION AGENCY — ANNUAL REPORT

260. Hon Dr BRIAN WALKER to the parliamentary secretary representing the Minister for Health:

I refer the minister to the annual reports produced by this Australian Health Practitioner Regulation Agency.

- (1) Why has the report for 2022–23, currently available on the AHPRA website, not yet been tabled here in Parliament?
- (2) Why does the tabled papers list on the parliamentary website show tabling in 2022 and 2021 but prior to that shows no reports being tabled since 2011, leaving a 10-year gap?

Hon PIERRE YANG replied:

I have not been able to locate the answer to Hon Dr Brian Walker's question in my folder. If I am provided the answer before the end of question time, I will provide it.
