MOTIONS ON NOTICE

1. Culture and Arts Funding (*Notice given 16 November 2010*)

Continuation of remarks Minister for Mental Health representing the Minister for Culture and the Arts - 36 mins (Wednesday, 7 September 2011) in moving the following amendment -

To delete all of the words after “House” and insert —

applauds the Government for increasing funding to the Culture and Arts in Western Australia in the 2011/12 Budget.

to the motion of Hon Linda Savage as follows -

That this House calls on the Government to immediately increase funding for Culture and the Arts in Western Australia to compensate for cuts made in the 2009/10 and 2010/11 budgets.

Total time remaining on motion - 1hr 47mins.

2. Household Fees and Charges (*Notice given 17 November 2010*)

Hon Ken Travers: To move -

That this House condemns the Barnett/Grylls Government for the savage increases in household fees and charges and the abolition of assistance payments to families such as the \$400 “It pays to learn allowance” which has resulted in families being up to \$1 400 worse off.

We note that the savage 46 percent increase in electricity and 30 percent increase in water charges over two years has resulted in an increase in the dividends the State Government is receiving from the power and water utilities.

We say enough is enough and call on the Barnett/Grylls Government to keep future increases to below the rate of inflation.

3. Climate Change Adaptation and Mitigation Strategy (*Notice given 17 November 2010*)

Hon Sally Talbot: To move -

That this House condemns the Government for entering its third year of office without the Climate Change Adaptation and Mitigation Strategy promised by the Liberals before the 2008 election.

The business listed for today’s sitting and sequence in which it is to be considered may be altered by the House without notice. Members and other persons are advised to check the status of an item in which they have an interest in the course of today’s sitting.
