1. Public Sector Expenditure - New Government Agencies (*Notice given 18 March 2009*)

Resumption of debate adjourned (Wednesday, 23 June 2010), on the motion of Hon Ljiljanna Ravlich as follows -

- (1) That this House condemns the Premier as Minister for Public Sector Management for wasting taxpayers' money in creating new government agencies, boards, committees and taskforces, at the same time as asking agencies to find savings of three percent resulting in the cuts to front-line services in health, education and law and order.
- (2) That this House calls on the Premier to explain why a three percent savings target is not a "big ask" for government agencies, as he stated to the recent Committee for Economic Development Australia conference, given that the 2009-2010 mid-year review projected no savings and an expense growth of 13%.

- (2) That this House calls on the Minister for Commerce and the Minister for Regional Development to -
