1. **Fremantle Port - Lead Export** (*Notice given 18 March 2009*)

Continuation of remarks Hon Ljiljanna Ravlich - mins 28 (Wednesday, 5 May 2010)
on the motion of Hon Sally Talbot as follows -

- (1) That this House condemns the Minister for Environment and the Minister for Mines for their lack of openness and accountability in relation to their decision to allow lead to be transported through 22 suburbs in the metropolitan area on its way to Fremantle and calls on both Ministers to explain why they have not made all details in relation to lead shipments public.
- (2) That this House also calls on the Minister for Environment to explain why, since environmental approval was given by her for Magellan Metals to transport containerised lead carbonate through suburbs to the Fremantle Port, so little has been revealed to the thousands of families living in and around suburbs along the proposed transport route.

Total time remaining on motion - 2:00:00.

2. **Lobbyists Register** (*Notice given 18 March 2009*)

Hon Ljiljanna Ravlich: To move -

That this House condemns the Premier for breaking a key election commitment on accountability by not introducing legislation to create a public register for lobbyists in his first 100 days of government, and calls on the Premier to explain –

- (a) why he has not met this commitment and when will he introduce legislation to create a public register for lobbyists;
- (b) how the proposed legislation will be applied to different classes of lobbyists, consultants, consultant-lobbyists, in-house corporate consultants and in-house lobbyists employed by organizations;
- (c) what are the registration requirements for lobbyists before being permitted to be on the register -
 - (i) business registration details;
 - (ii) names of owners;
 - (iii) partner and major shareholders; and
 - (iv) names and positions of those employed and the names of their clients;
- (d) what is the set of principles of ethical conduct relating to a lobbyist before being placed on the register;
- (e) what will be the reporting requirements of lobbyists, including but not limited to -
 - (i) what has to be reported;

The business listed for today's sitting and sequence in which it is to be considered may be altered by the House without notice. Members and other persons are advised to check the status of an item in which they have an interest in the course of today's sitting. Electronic version available on the Parliament's Internet site at www.parliament.wa.gov.au.

- (ii) when it has to be reported;
- (iii) who will lobbyists be required to report to; and
- (iv) whether or not any lobbyists will be banned from being placed on the register and who they might be;
- (f) the means by which a lobbyist can be removed from the Register;
- (g) the appeal mechanisms for a lobbyist who is removed from the register; and
- (h) the frequency that the code will be reviewed and who will have the responsibility for such a function.

3. Public Sector Expenditure - New Government Agencies (*Notice given 18 March 2009*)

Hon Ljiljanna Ravlich: To move -

- (1) That this House condemns the Premier as Minister for Public Sector Management for wasting taxpayers' money in creating new government agencies, boards, committees and taskforces, at the same time as asking agencies to find savings of three percent resulting in the cuts to front-line services in health, education and law and order.
- (2) That this House calls on the Premier to explain why a three percent savings target is not a "big ask" for government agencies, as he stated to the recent Committee for Economic Development Australia conference, given that the 2009-2010 mid-year review projected no savings and an expense growth of 13%.
