Mr J.N. Hyde: To move –

That this House rejects the Burmese junta's newly adopted Constitution and planned 2010 elections and notes:

- (1) The Constitution was designed to institutionalise military rule; was drafted by the junta's hand-picked delegates rather than elected representatives; and was approved by coercion in a sham referendum held in the midst of devastation caused by Cyclone Nargis in May 2008.
- (2) The 2010 elections will be held only in accordance with the catastrophically flawed 2008 Constitution; will go ahead with the strict intention to nullify the 1990 democratic general elections, which Suu Kyi's party won by a landslide; and will guarantee a military-dominated parliament and military-controlled government.
