MOTIONS ON NOTICE

1. Renewable Energy Sources - Development (*Notice given 16 November 2010*)

Continuation of remarks Hon Helen Bullock - 37 mins (Wednesday, 17 August 2011) on the motion of Hon Kate Doust as follows -

That this House calls on the Government to stop taking a half-hearted approach to encouraging and supporting the development and uptake of renewable energy sources and take immediate steps to make sure Western Australia is at the cutting edge of the use of wind, solar, geothermal and wave and tidal power.

Total time remaining on motion - 1hrs 47mins.

2. Culture and Arts Funding (*Notice given 16 November 2010*)

Hon Linda Savage: To move -

That this House calls on the Government to immediately increase funding for Culture and the Arts in Western Australia to compensate for cuts made in the 2009/10 and 2010/11 budgets.

3. Household Fees and Charges (*Notice given 17 November 2010*)

Hon Ken Travers: To move -

That this House condemns the Barnett/Grylls Government for the savage increases in household fees and charges and the abolition of assistance payments to families such as the \$400 "It pays to learn allowance" which has resulted in families being up to \$1 400 worse off.

We note that the savage 46 percent increase in electricity and 30 percent increase in water charges over two years has resulted in an increase in the dividends the State Government is receiving from the power and water utilities.

We say enough is enough and call on the Barnett/Grylls Government to keep future increases to below the rate of inflation.
