Christine

Thank you for the opportunity to respond to the request for the Tribunal to attend a hearing of the Legislation Committee today at 12.15. As you may know the Tribunal is transitioning to a new President; His Honour Judge Sharp will be acting in that role next month.

His Honour does not consider it appropriate for any member of the Tribunal to appear before the Committee or to provide responses to the questions sent to us.

Kind regards,

Kathleen Halden | Executive Manager | State Administrative Tribunal
