**To:** Estimates and Financial Operations Committee  
**Subject:** FW: Inquiry into Government's Local Project Local Jobs Program - additional Query

Good morning

Thank you for your email.

The Department of Transport wishes to advise that the provision of job creation statistics was not a requirement for grant recipients within DoT LPLJ grant agreement contracts at establishment. These statistics are unknown and would be difficult to obtain accurately retrospectively.

Regards  
Victoria

**Subject:** RE: Correspondence from the Department of Transport - Inquiry into Government's Local Project Local Jobs Program

Dear Victoria,

Thank you for emailing DoT's submission.

I noted the information in Table 1 regarding the 20 projects is absent a column for the number of jobs created by each of the 18 either completed or expected to be completed projects.

Can the Department provide that column in amended Table?

If job creation statistics are unknown or not ascertainable, please advise.

Sincerely

Anne Turner
