**Subject:** RE: Media Release - Select Committee into the Operations of the Royal Society for the Prevention of Cruelty to Animals Western Australia (Inc) - Extension Request

Sam  
Thank you for your email re the request for an extension of time to report of the above committee. I will read through the submissions made by various individuals and organisations and wait with bated breath to find out if Western Australian society recognises its responsibility to care for the weak and the defenceless and its responsibility for the planet and the life of its inhabitants of all species.  
Thank you for your diligence in providing information.  
Anne Griffiths
