Kristina Crichton
Committee Clerk
Standing Committee on Public Administration
Legislative Council, Parliament House
PERTH WA 6000

Dear Ms Crichton,

INQUIRY INTO PRIVATE PROPERTY RIGHTS

Thank you for your response to Western Power's submission for the Committee's inquiry into Private Property Rights.

You have asked Western Power to provide further comment on:

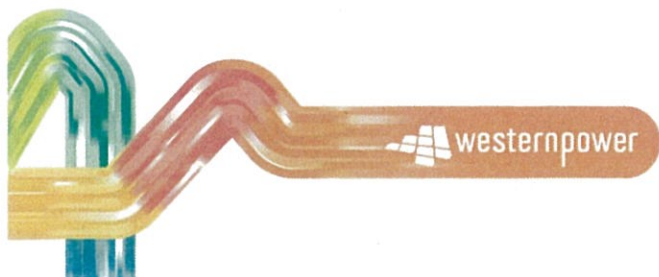

1. Specify whether the licence or authority creates in the holder of that licence or authority a private property right, and supply the legislative head of power establishing this; and
2. Specify whether the restriction or cancellation of the licence and authority gives rise to a right of compensation and if so, how the quantum of compensation is determined and the process for determining it.

Western Power does not issue licences and authorities in the nature of government-issued commercial fishing licences or similar.

Should you have questions or require additional information relating to our comment, please contact Senior Government Relations Specialist Megan Allan at megan.allan@westernpower.com.au or 9326 7199.

Yours sincerely
