Dear Ms Jewell

Transcript of Evidence – Factual Corrections

I wish to correct a statement I made which is shown on page 3 of the Transcript of Evidence of the Department of Health's appearance before the Standing Committee on Estimates and Financial Operations (Session two) held on 02 July 2010.

I indicated in response to a question from Hon Ken Travers MLC that expenditure on the Joondalup and Peel health campuses is reflected in the "grants and subsidies" line in the cash flow statement on page 205 of the Budget Statements.

Expenditure on these contracts is actually shown under "expenses" in the Income Statement on page 202, with the majority of the expenditure reported in the "private sector contracts" line of the Income Statement.

Yours sincerely
