TRANSCRIPT CLARIFICATIONS

HEARING WITH DIABETES WA

10 OCTOBER 2018

Clarifications provided by the witness, Sophie McGough, Health Services Operations Manager:

Page 6, footnote 1: The 'diabetes steering group' should be referred to as the diabetes regional planning group, and it includes Silver Chain.

Page 6, footnote 2: The name of the GP is Dr Chris Plint.

Page 11, footnote 3: In the sentence 'They are not storing the insulin properly at the most appropriate time as well', the word *insulin* should be *glucose*.

Page 13, footnote 4: The neuroscientist referred to is from University of Sydney.

Page 18, footnote 5: About 300 DESMOND facilitators have been trained across Australia *and New Zealand*, and there are about 90 in WA.

Page 19, footnote 6: 445 participants registered with My Healthy Balance last financial year with 82% of that cohort being female.
