Dear Mr Collier

I write with reference to correspondence from Ms Laura Ives Hicks, Committee Clerk dated 27 June 2024, regarding the uncorrected transcript of evidence provided by the Department of Jobs, Tourism, Science and Innovation (JTSI) to its 2024-25 Budget Estimates Hearing on 26 June 2024.

Following review of the transcript, I provide the following correction to the Committee:

On page 10 of the transcript, Mrs Stephanie Underwood advised JTSI holds four-year contracts with each of the four regional tourism organisations, with the current contracts ending in June 2025.

I confirm that the current contracts end in June 2026.

I thank the committee for the opportunity to make the correction.

Yours sincerely

Linda Dawson
A/DIRECTOR GENERAL
