Dear Mr Graham

RE: HEALTH ESTIMATES 17 NOVEMBER 2020

I would like to correct a factual error from my evidence presented to the Committee yesterday 17 November 2020. The error is contained in my evidence on Page 20. I have marked the location in the attached transcript. I inadvertently stated that it was "Saturday" when I became aware. It was in fact Sunday when I became aware as this was when the information became available of the outbreak in South Australia. This error was a simple mistake in the heat of the moment in answering the Committee. All the other information provided relating to this issues is correct.

I hope that this will enable this fact to be corrected for the record.

Yours sincerely

Dr Robyn Lawrence
DEPUTY CHIEF HEALTH OFFICER, CLINICAL SERVICES
INCIDENT CONTROLLER
STATE HEALTH INCIDENT COORDINATION CENTRE

18 November 2020
