Hon Kate Doust
Chair
Standing Committee on Uniform Legislation and Statutes Review
Parliament House
PERTH WA 6000

Dear Ms Doust

I wish to advise that in my evidence given to the Committee at the public hearing held on Monday 28 October 2013, two factual errors require correction. These are as follows:

1. Page 4, final paragraph on page: the sentence "An AHMAC subcommittee then looked at all the different recommendations of the Galbally review..." should have made reference instead to "an AHMAC *working party*". The group which reviewed the Galbally Review recommendations was not a subcommittee of AHMAC, but rather a working party. I did correctly refer to the group as a 'working group' later in my evidence.
2. Page 5, paragraph immediately prior to the annotation <004> P/K 1:39:14 PM : the sentence "All the other recommendations related to other aspects of the therapeutic goods laws." should read "All the other recommendations related to other aspects of the medicines and poisons laws".

Yours sincerely
