Dear Ms Doust

Inquiry into the Medicines, Poisons and Therapeutic Goods Bill 2013
Correction of Transcript

I wish to advise that in my evidence given before the Committee at the public hearing held on 28 October 2013 two factual errors require correction. These are the following:

1. Page 7 at the fourth paragraph commencing "I am responsible....." in the sentence that commences: "The functions, as I have outlined under point 8, is....." should state, "The powers, as I have outlined under point 8, is
2. Page 9 at the ninth paragraph commencing "No. Sorry Linda..... "; in the sentence that commences: "This is a standard insert for bills from the health point of view that in every five years there is a clause that we will review the act...." should state, "This is a standard insert for bills for Health legislation, that we will review the act in five years to see whether it is effective."

Yours sincerely
