Dear Mr Travers

**2015/16 BUDGET ESTIMATES HEARING – TRANSCRIPT EVIDENCE**

Further to your letter dated 12 August 2015, I would like to make a correction of fact on the evidence I presented, to the Legislative Council 2015/16 Budget Estimates Hearing on 24 June 2015.

**Page 3:** I inadvertently noted the following:

“That has seen six youth beds opened at the new unit at Fiona Stanley Hospital, with another 14 beds to come, as well as a new youth community treatment stream”.

I would like to advise the correct wording should be:

“That has seen six youth beds opened at the new unit at Fiona Stanley Hospital, with another 8 beds to come, as well as a new youth community treatment stream.”

Yours sincerely

Timothy Marney
