Dear Mr Collier

Please find attached a copy of the Hansard transcript for the Department of Education's hearing before the Standing Committee on Estimates and Financial Operations on 31 March 2022, with corrections.

Minor amendments have been marked by means of tracked changes. In addition, the Department has asked to correct a factual error appearing in the transcript.

The correction to which I refer is on page 20. In response to your query about school bank balances, Mr Peckitt stated that primary schools made up \$151.691 million, but the correct figure is \$171.691 million.

Thank you for the opportunity to review the transcript.

Yours sincerely

  
SUE ELLERY MLC
